Create a form that looks like this:

Form

Name:

Email:

Password:

Confirm Password:

Gender:
○ Male ○ Female ○ Other

Interests:
☐ Sports ☐ Music ☐ Travel

Country:

USA ▾

Choose a value:

50

Submit

1. You are not required to make it pixel-perfect, but if the proportions are way off from the original, you'll lose some points. **(25 points)**

2. The "Name" field should be required and also it should be at least 3 characters long. **(10 points)**

3. The "Email" field should be required and also it should be a valid email. **(5 points)**

4. The "Password" is required. **(5 points)**

5. If the "Password" and "Confirm Password" don't match, we should get an error message. **(20 points)**

6. The dropdown list must have a few other countries to choose from. **(10 points)**

7. The range field should give us the possibility to choose from 0 to 100. **(20 points)**

8. The "Submit" button should change its color when you hover over it. **(5 points)**

Hints:

1. All of the above-mentioned data validation should happen when you press the submit button.

2. To solve the tasks #5 and #7, you might have to include JavaScript in your HTML file.
